

Moon Shoes® Instructions

WARNING: Adult Supervision is recommended when using this toy.

CAUTION: Improper use of rubber bands may cause injury.

Adult Assembly Required.

These instructions contain important information. Retain for future reference.

Assembly

Contents: 2 bases, 2 shoe plates and 40 rubber bands (36 maximum needed + 4 extra).

STEP 1: IMPORTANT!

You **MUST** choose the correct number of rubber bands.

Rubber Bands To Be Used

60 lbs or less = 1 band per slot

60 lbs - 100 lbs = 2 bands per slot

100 lbs - 130 lbs = 3 bands per slot

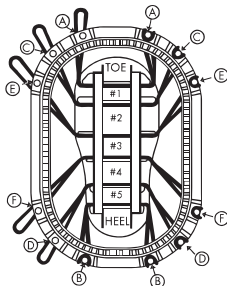

STEP 2: SET UP

1. Place Shoe Plate on ground with slots facing up.
2. Place base around Shoe Plate with treads facing up.

STEP 3: LOAD RUBBER BANDS

	Insert one band into:	Hook band to post:
1st	Slot #1	A & A
2nd	Slot #5	B & B
3rd	Slot #2	C & C
4th	Slot #4	D & D
5th	Slot #3	E & E

Bottom View of Moon Shoe®

STEP 4: TESTING

Test-jump. Ideally, you want the bands to stretch as far as possible without the shoe platform hitting the ground.

STEP 5: HAVE FUN!

- Walk Tall!
- Moon Walk - Feel the Anti-Gravity!
- Jump! Bounce and Giggle!

Troubleshooting Guide

Problem	Solution
Not Enough Bounce	Too many rubber bands
Foot Hits Ground	Not enough rubber bands
Rubber Bands broke	<ul style="list-style-type: none">• Not enough rubber bands loaded into slots.• To order more go to: bigtimetoys.com/rubberbands
Shoes too big	Maximum size for Shoe Plates is Men's size 8.5

Tips

- Make sure your shoe's heel is firmly placed against heel of Shoe Plate.
- Velcro® straps should be firmly fastened over shoe.
- Best shoes - covered-top sport shoes
- Maximum Wt. - 130 lbs.

Moon Shoes® Care

Moon Shoes® are designed to take all the punishment a child can dish out however, yours will last longer if you:

- Do not store in direct sunlight or extreme temperatures.
- Keep them clean.
